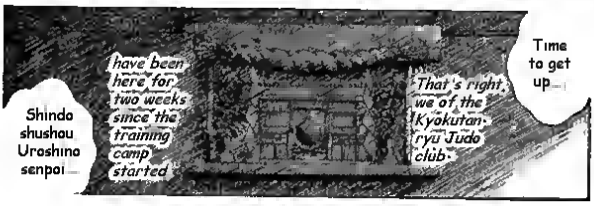
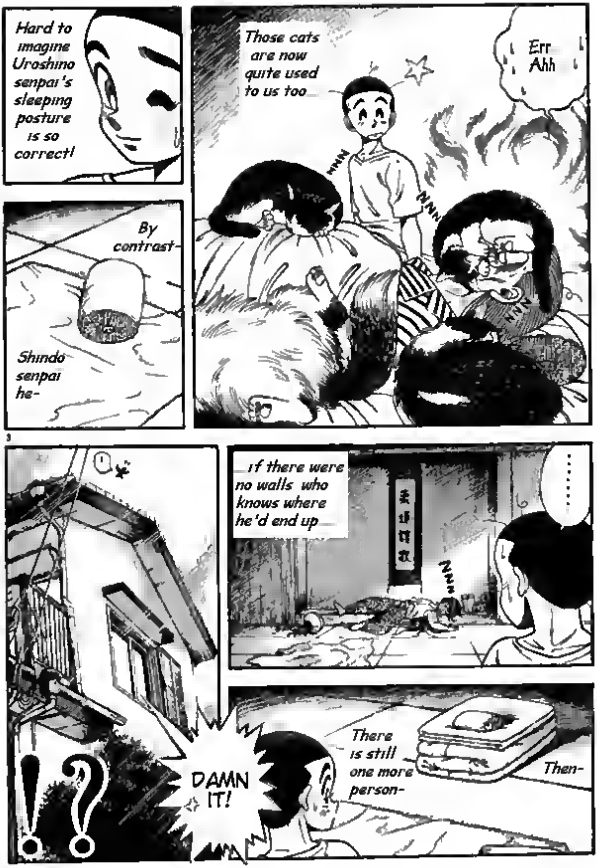
Kyokutan-ryu's Training Excursion



Shindo shushou Uroshino senpai...
have been here for two weeks since the training camp started.
That's right, we of the Kyokutan-ryu Judo club.
Time to get up...



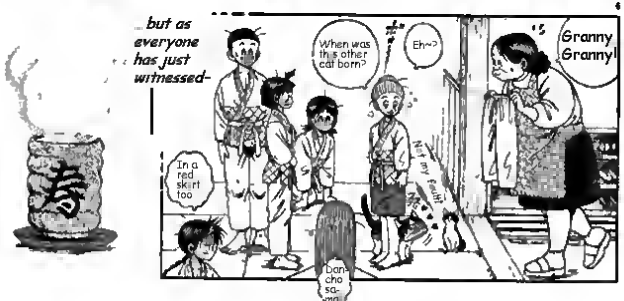
Hard to imagine Uroshino senpai's sleeping posture is so correct!
Those cats are now quite used to us too
Err Ahh
By contrast-
Shindo senpai he-
If there were no walls who knows where he'd end up
.....
There is still one more person-
Then-
DAMN IT!

You said yourself that you want to sleep with the kitty cats!
HOW MANY TIMES DO I HAVE TO TELL YOU NOT TO SNEAK UNDER THE BLANKET?
WHO'D WANT TO SLEEP WITH A FAKE CAT LIKE YOU!
-seem to have become used to Kyokutan-ryu's lively atompshere...
And I-
Next-
Ohayo-
Old people wake up earl ier!
How dare you sneak out again!
Dammit! My mouth is full of cat hairs!
You are so sneaky hagging all the cats!
5:30AM Everyone gathers at the dojo-

Dawn Training Begins!
Acrobatic Performance
Triple Kitty Somersault!

Granny appears in her red belt!
Good morning all~
It seems that all women's belts have a white stripe
This guy sure wasn't shady friend enough

After thirty minutes of basic drills comes to an end



...but as everyone has just witnessed-
When was this other cat born?
Eh~?
Granny Granny!
In a red skirt too
Not my fault!
Dan cho sa-mai

I have a b g problem wi h my opponent be ng a guy
Sorry
Even Shindo shushou has no problem with this
But I feel so embarr assed
I think she is qu e cute
Granny just looks on as we troin in the morn ing-
Oh my the tea stem is stand ng upright!
FOUR!!
THREE!!
ONE!!
FIVE!!
TWO!!

EEK!
The chest...
mare strength is needed
Hai...
Going slow at the start is fine...
The most impartant thing is to get the action correct
And the rear should be in a little further...
Hai hai...
PAT
Even when half asleep she's still certainly a red belt-
Her points were all spot on-
!-!
Steady steady

HYAAH!
Ah...!
About to be thrown!?
About...
Eh
AH

Is there something wrong?
Ah?

!!

Just a little...

I think your nose is a little too low
.....
.....

To an expert even that move just then was flawed too?
Whoah!?

I know where the problem is myself...
This no that
.....

That's great no...so...there wasn't a fault with the action...
GO WASH YOUR FACE THEN COME BACK!

After dawn training is over, when the two female club members take a shower first-
DON'T YOU REALLY FALL ASLEEP!
NNN
Can't even move
HEY!
Umm~ I'm so jealous~!
7:30AM
Breakfast
Urr...
Fish head hotpot

This is actually a hundred times tougher than training
Urgh...
I like honey dew melons but
Here you go there are lots of desserts too!
Lately I dare not see oh myself!
But shouldn't "quantity" be taken into consideration?
But you eat everything shushou shouldn't you show some self control?
Hmm?
If this keeps up we'll all end up as the Kyokutan-ryu "Sumo" club...
6:30AM
On the way to school~
I'm not saying it's cooked badly...

HEAVE HO!
HEAVE HO!
HEAVE HO!
HEAVE HO!
!!
ドスドス
ドスドス

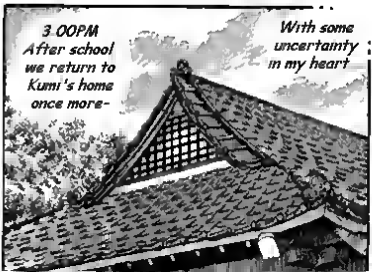
That fax saying Kyokutan-ryu's land along with a new dojo will be the tournament's prize...
The news from president Toroko the Second-
Looks like people outside the Judo clubs have found out about it too

From the looks of it... the rumors are true then...!
...those are from the real Sumo club...
-ru-mors?
HEAVE HO!
They need to do up their hair for club training too?
ドス

Even those with obsolutely no connection to Budo...
HERE I GO!
WE OF THE BASEBALL CLUB WANT A DOME!
Who are these guys?
COME ON!
LEAVE IT UP TO ME, FORMER CHUSHOU OF A JUDO CLUB!!
don't be an idiot
Apart from the martial arts clubs-
As o result this yeor's selection tournament-
WHY
CAN'T I CONCENTRATE ON TO YOUR JUDO?
take your gloves off
-as well as the cultural clubs, they all seem to be quite interested in joining the Judo clubs' tournament.
We want new club room we want new club room we want new club room
Ah ?
cultural clubs?

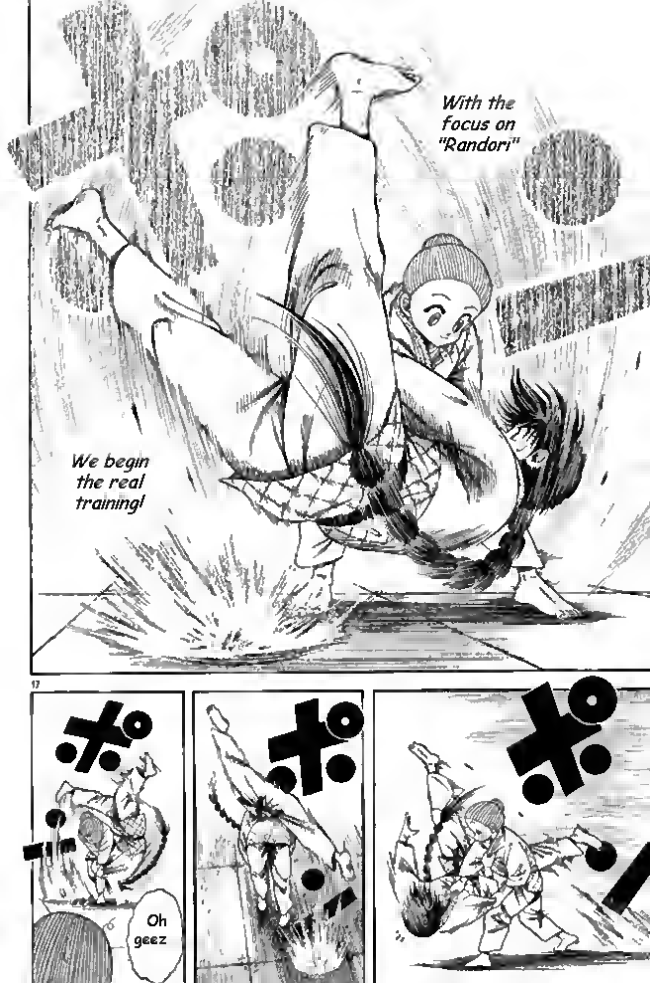
We already have a lot of competition from the Judo clubs and with all these extra people it's not looking good...
Apart from Judo there are also other martial arts which have much in common with Judo...
That... we are just a Karate club too...
Orig nally
This prize is just too attractive
YOU GOTTA BE JOKING! THEY AREN'T EVEN A JUDO CLUB, HOW CAN THEY JOIN?
Not to mention who knows what lurks within just the Judo clubs themselves!
15
SHUT UP YOU! BE IT JUDO OR SUMO, I DON'T GIVE A DAMN ABOUT ANY OF THEM!
I think it will be hard to win
so I wasn't mistaken - that silhoulette

THERE CAN BE NO OTHER OUTCOME THAN VICTORY FOR KYOKUTAN-RYU!
NO MATTER WHAT THE DISCIPLINE IS, KYOKUTAN-RYU IS THE STRONGEST ON THE PLANET!
YO—!



3:00PM
After school we return to Kumi's home once more-
With some uncertainty in my heart

that wasn't me
NOT LOUD ENOUGH!



With the focus on "Randori"
We begin the real training!
17
Oh geez

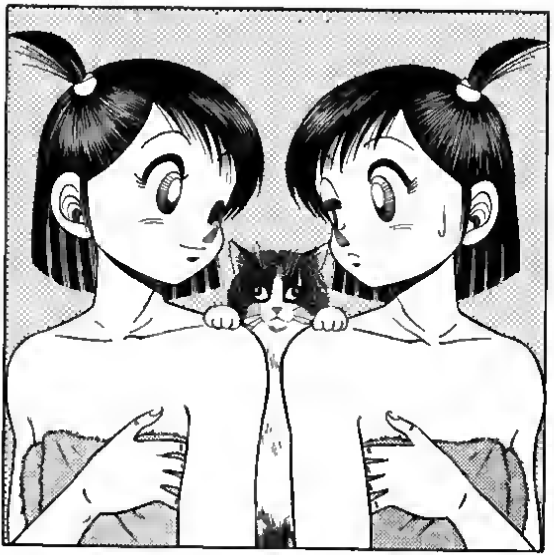
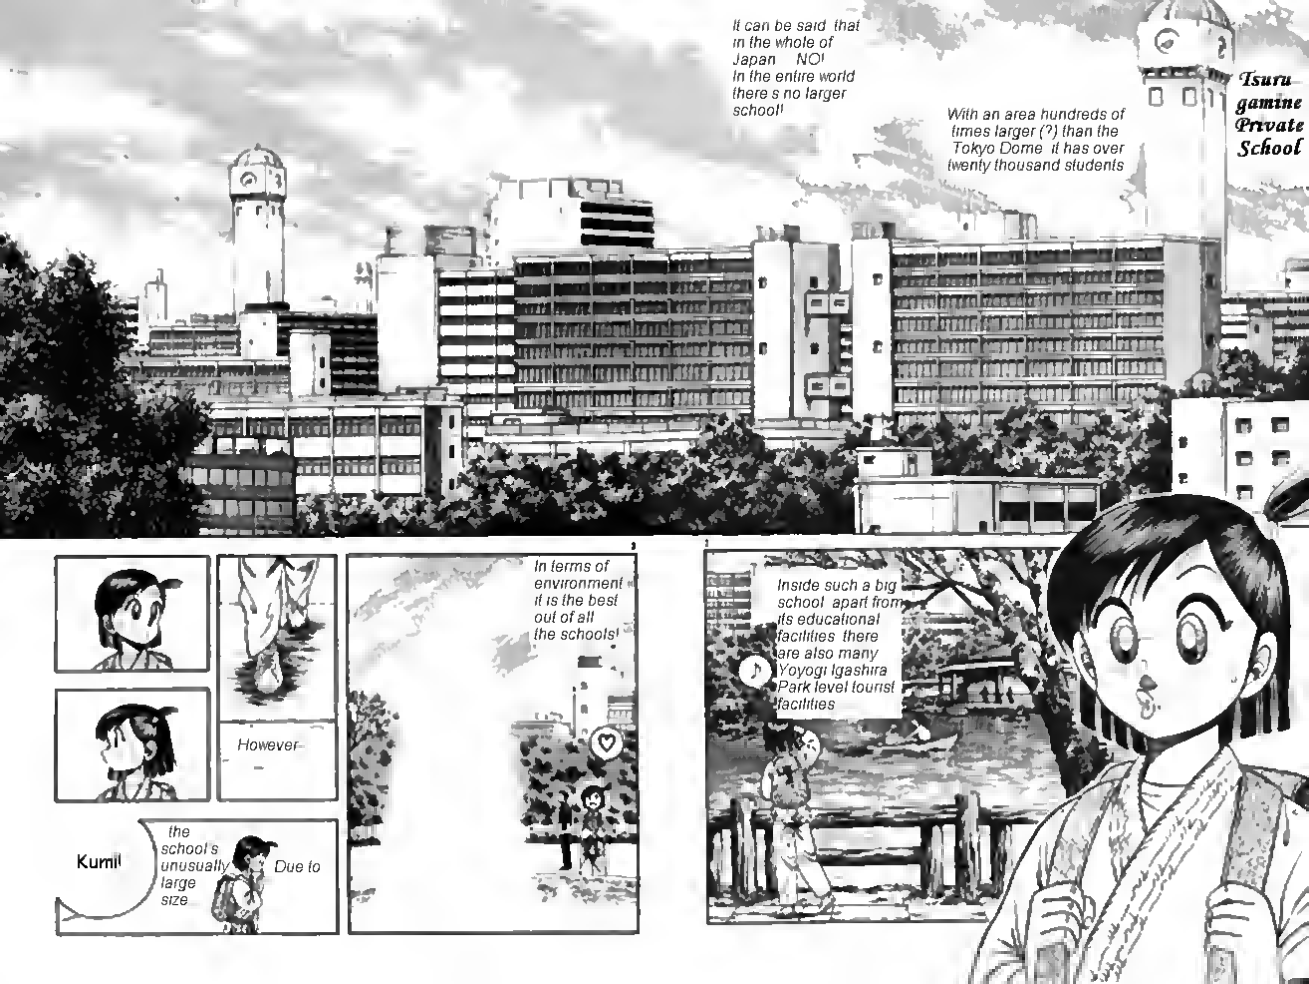
Let's go, let's go!
It sounds like so much fun!
19
Why do I have a bad feeling about this
Weird
...you want to go too
I haven't been to school for so long!





It can be said that in the whole of Japan NO! In the entire world there s no larger school!
With an area hundreds of times larger (?) than the Tokyo Dome it has over twenty thousand students
Tsuru gamine Private School
Kumi!
the school s unusually large size
Due to
However
In terms of environment it is the best out of all the schools!
Inside such a big school apart from its educational facilities there are also many Yoyogi Igashira Park level tourist facilities

!!
First time visitors are always sure to get lost
?
It's almost time for everyone to meet!
Where are you going?
The place is-
WE'LL MEET THIS AFTER NOON AT 2:50.
TODAY WE ARE GOING TO GO OUT AND ASK FOR INSTRUCTION!
Why are you getting so cool you reserve

The Ouendan Headquarters!
Even if Urashino senpai is quite a nice guy

Ah! There's blood over there it may be slippery so please watch your step
The others do not seem to be here yet please come and wait inside
Hoi hoi
Once he heard I was from the Kyokutan-ryu he became so nice
Hm?
Espe-cially-
!!
I find it - hard ta believe that the Ouendan and Kyakutan-ryu used ta hate each ather with a vengeance.

!!
Is already honored as a legend in the selection tournament's history
The blood stained duel between the two of them-
Shindo shushou and Urashino senpai-
However !?
AH?
To make you go to so much trouble
EXCUSE US! WE HAVE BROUGHT YOUR TEA, SIR!

-and don't want to know!
That I don't know!

And
Peaple like that laser af a fat pig wha's all talk but na walk see if I really give a damn abaut them!
Is this really necessary ?
So pathetic! He got thrown by someone over a hundred kilos lighter than him!
And in the end didn't he get fixed real gaad by that stubbarn shu-shau af aurs?

Ah ?
This

Sanshiro... what is it with you!
I've been standing here for a minute already!
Here! Please try a piece of this biscuit!
Hahaha please let me massage your shoulders!
-don't have a clue about what kind of relationship should exist between real men!
That's why some people get bullied for fun all day long!
With this mask on, you are just about as good as me... so why go easy on minor trash like them?

Even sounds alike
But the way it is naw-
Farget abaut that far a secand-
Like looking in a mirror!
Change the hair style at least please?

A block
I had no choice-
How come the place you picked for training is so far away that we need to drive?
People nearby go weak when they hear our name. how can they be proper opponents?
And...
That's because we're just too famous
Just me
Now I remember!
AH!
Doesn't that qualify them to be our opponent?
Where we are going now was a finalist in last year's selection tournament!
If they ain't number one they don't qualify
?
Momo-tarol
As I recall-

What? That means
And rammed the front gate's of my house
DIDN'T YOU GET YOUR LICENSE TWO YEARS AGO?
See KM Vol 31
LIKE IT'S YOUR PROBLEM?
I m younger than Buncho sama, OK!
Whaah! Is Urashima senpai that ancient?
You must be at least twenty years old!

Oh? Looking for someone to practice with?
Kyokutan-ryu, did you say?

Yeah... that's what a friend in the Ouendan said today...
Hohoho! Even if they are backed by the Ouendan I really can't imagine that a Judo club like them can actually find someone willing to train with them!
No!
Because the place they are going to...
Is a Judo Club where even the name of the Ouendan counts for nothing...
Tsurugamine Private Semor High School
13th Judo Club

第十三柔道
High school clubs are certainly rich
It's bigger than Mr. Sugishou's
Again
It already looks to be of Budokan standard!
But only the Judo club's sign is out here?
Along with Judo, Kendo and Karate there are five other clubs who hold their sessions in there!
This is the local Budokan!
That's right!
Hmm... according to members of the Ouendan familiar with them...
Thirteenth Judo Club...
!?

!!

Can Juda make a persan's face all swollen up like that?
This is said ta be a rather violent place...!

I...
I remember now!
Currently the Judo club dominates this entire place
Which is why the other clubs didn't dare to stay...
"Fight" Judo Club!
The one that can be said to be "Strongest in Combat" is the Thirteenth
Tako fushou mentioned it before...
Tms!
Let's go
He's flying!
I won't get the Ouendan to call an ambulance!
We shouldn't be wasting time training with them then!

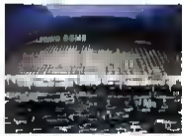
Tea Stems

The Japanese believe that having a tea stem stand upright in the tea cup is a sign of good fortune. Better upright than not, eh?

Tokyo Dome "Big Egg"



The first domed stadium in Japan. It is the home of the Yomiuri Giants baseball team, and known affectionately as the "Big Egg". Many famous sporting events and performances are held here.

Keirei

The Japanese are famed for their bowing which is intended as a show of respect. A *sai-keirei* is a very respectful bow where the social inferior bends to 45 degrees, and this is no doubt being used by the Ouendan members.

"Fight" Club

Here, "fight" is in the context of a street brawl. Think "Fight Club" the movie. Whoever these Thirteenth Judo Club guys are, they aren't "nice" people.

A Judo match is different!
Weren't you feeling afraid just then Granny?
-OKAY THEN, TO BE FAIR-
YOU DON'T BELONG TO THE JUDO CLUB!
Then let me be the one to go first!
Be it paper rock scissors or by flipping a coin...
Let's decide with poper rock scissors!
UNFAIR, UNFAIR-
Then let's go in order of height!
15
Hmm?
As long as I'm not the first...

AH!?
Let's start with you!

If you don't like it— then SCRAM!
We don't have the time to waste on you!

Ah?

YEAH! YEAH!
HOLD IT! JUST BECAUSE YOU ARE A TEACHER DON'T THINK YOU CAN INTERFERE IN OTHER CLUBS' INTERNAL AFFAIRS!

Hurry up and say something about going home~!
Didn't you just lose already?
Alright! Let us now decide who's the shipou
Rematch, rematch!
This I

shipou | Secondary Lead | second person to compete from a team

17

Let me choose my own training partner please
I'm... I'm already regretting this...
I will make you people regret ever choosing us as your training partners

Ka Ka
His eyes are too scary !
?
Uhu...
!!
EEK...
Can can you put this on please?
It's it's the exact opposite
You've got some guts to dare mess us around!

Shin...

If you want to mess around, you should pick your opponent with more care!
Hey hey hey Sanshiro! You are really quite a loser!

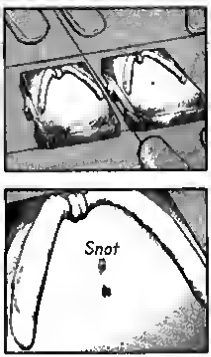
A teacher who only managed to make Olympic reserve?
Why bother messing around with-
Shindo shushou...!

Mira: "That looks yummy!"

T: "Dammit! You looking for a fight?"
Sumo: "Hah! I.. I.. I am not scared of you!"
Soro: "If you are going to fight, take it outside!

Sumo: "Who's peeking in at me, Mooo?"

Miramo is quite interested in machines



Snot

Ho, Ho, Ho~
So this is it.
He didn't forget to stick snot onto it..
I had some problem with my eyes back there, so I couldn't see-
So this is what you look like!

You live up to your reputation as a former Olympic reserve for sure!
You do look quite impressive!
Former Olympic reserve?
Come to think of it where have I heard of the name "Samejima" before
Coming face ta face with such a great teacher-
Wasn't that rather impalite af yau?
Ow ☆
What What did I da
AH—!? What was that?
I didn't da anything

Hey hey hey, hey hey hey, Sanshiro, I say—?
If you didn't get the gold medal then what's there to be smug about?
!!
If you didn't become the first choice, then you are just a nobody!
A reserve's a reserve!
Ah?
!!
When did I ever say that...?
Isn't saying that going too far?
This isn't like a run for Parliament, not everyone can become a reserve you know—
AH...
!!

EEEK!!
Oh dear-!
Everything I said was the truth!
?
See? The teacher's angry now!

He is our great leader!
The founder of Kyokutan-ryu Judo Club Shindo shushou-
shu-shau?
Ah Ah?

Ah?
In my opinion-
Someone like you who's only good for being a reserve-
-is god knows how many hundred times crapper than our Shindo shushou!

Ha ha ha na way na way that's impassible!
I, I can't make a sound!
Any one of his traits are a hundred times better than yours!
Look at him - handsome long legged perfect in body and so clear headed-
Ventriloquism?

I will bet that Shindo shushou is better!
No way! Even if I have to sacrifice my life-
I don't want to!!!
Geez~ you really put me on a high pedestal

But he was an Olympic reserve you know!
Even when it comes to Judo he should be better than that teacher, right?
.....

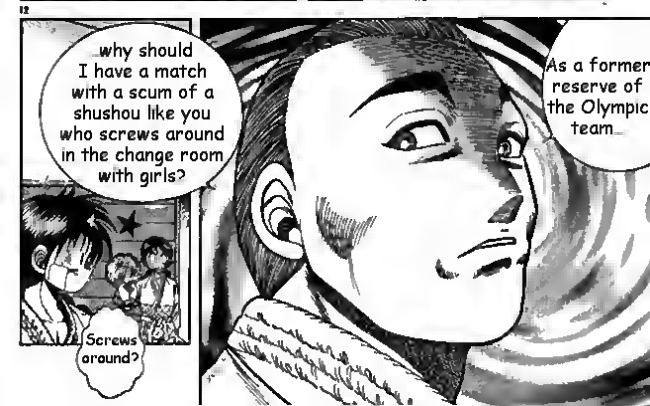
He is really going to have a fight?
After all we both have our own clubs!
How about we have a go then?

Hmph!
Fine
Then lets start with you!
That- is what I wanted to hear!

HAI!
Eh?
Namura!
11
Yow!

HOLD.. HOLD IT, HOLD IT!
Go give that guy a taste of the pain you just suffered!
HA!
Are you more awake now?
Even the methods are like the Ouen dan s

-Hmph!
THE ONE I AM AFTER IS YOU SON OF NO THE TEACHER WHO WAS AN OLYMPIC RESERVE



...why should I have a match with a scum of a shushou like you who screws around in the change room with girls?
Screws around?
As a former reserve of the Olympic team...

This yeor's school selection tournament
Seems to hove quite o few clubs with no class entering...
WE DIDN'T DO ANYTHING! THIS OLD MAN WAS THERE TOO!
Hoho... the young people todoy reolly are...
Is thot true?
Probobly reached third base I think
What did you get up to?
Pfft!
Ha,ha!
WHEN DID I DO IT WITH YOU?
I WILL DESTROY THEM FOR SURE!
I I think
I think I better leave now...
it's better to leave it up to the shushou...
HA!
This is o good chance to elimnate opponents before the tournament starts!
Nomuro do you understand?

Are you even human any more?
If the other side is going to send out a minor pawn, how can we let the shushou face him then?
14
Just leave him to me!
Hmm- just as you said-
I never said any thing~!
.....

Just use the Juda that I taught yau ta deal with him!
HAI!
It daesn't matter wha gaes first!
.....
The mask is braken
Alsa...
...did yau ever teach me anything...?
That's right! Use the Juda that I taught yau ta deal with him!
And Shindo shushou adding fuel to the fire from the sidelines...!!

FULL OF WHAT?
The Ouendan is full of them!
Hey hey people like him who rely on scoring people with their face
DAMN YOU...
Don't throw a bomb in there too~!

.....!!
URR!
A little lower!

Don't move OK~

キュッ キュッ キュッ

Good! That's it don't move!
Then forward a bit
Kuuh Kuuh
!!

Nomura might be a middle weight but his power is already amongst the top few we have here
Yet with just one hand !

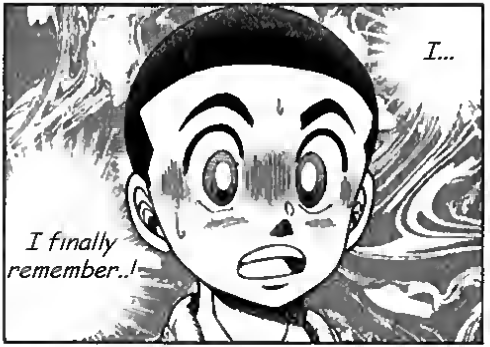
OK done!

Hee
Will that do?
Damn damn you~!!

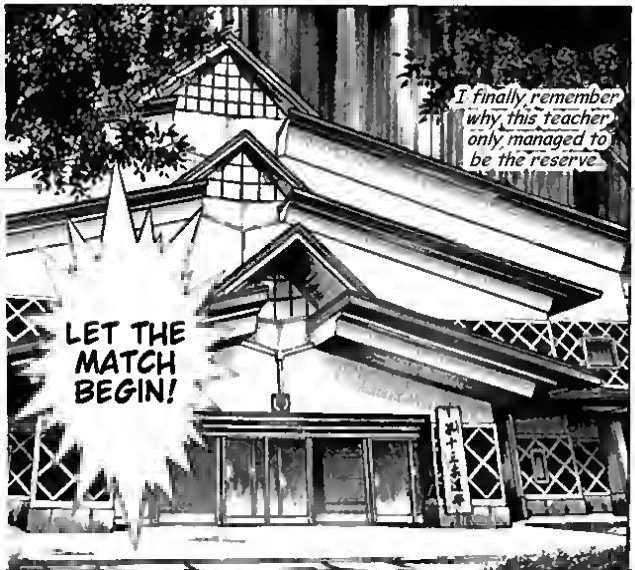
Go and throw him around until he cries for mommy and prove that Kyokutan-ryu is the strongest!
Hur Hur
My voice...
...is actually a hundred times better than a student of that guy who can only make the reserve!
Listen up! As long as you are not afraid, your feel for Judo—
He is not your run-of-the-mill rat...

You were too loud
You must have really good ears!
Eh? You heard me?
Calm on a cop
I am the kind of person who can only be a reserve...
Hmph! What you said was correct!

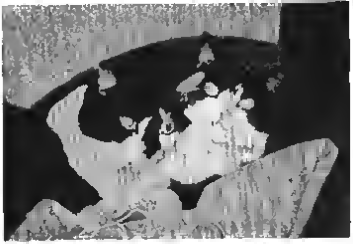
The one who hit the deck spitting blood was the one who ended up being first choice!
But in the final match at the selection tournament



I...
I finally remember..!
Same Toshiki Same-jima



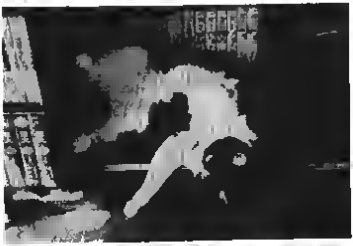
I finally remember why this teacher only managed to be the reserve
LET THE MATCH BEGIN!



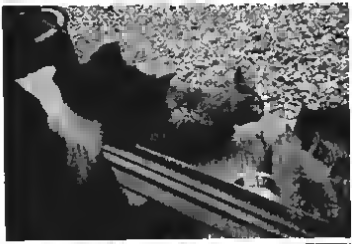
T and Miramo are really good brother and sisters and they love to sleep together

Miramo: "If we were human this would be a very dangerous relationship!"

T: "No big deal we are animals after all."



Miramo: "This is what life is all about!"



T: "Where did these guys come from?"

The wild cats that live in the local area come every day to beg for food

Soro: "Sensei's having an afternoon nap call again later!

A mark of 80!
Wow!
Why should it not have them?
SINCE WHEN DID JUDO HAVE MOVES USED IN FIGHTS?
In the world today where the focus is on competition...
However-
Kick at the ground!
Judo has always been a combined martial arts, and apart from grabbing each other, even striking and kicks have always been part of the training.
You should read more books about Judo!
How did you get your black belt?
Ah?
14
Sorry... to interrupt the two of you...
Because I don't like getting bashed!
Even if it's training it's still!
BUT WHY DIDN'T YOU EVER
BUT COULDN'T YOU GRANNY INSTRUCT US?
You were never in a karate club
There are no longer many people who are willing to teach or to learn these kinds of melee fighting skills
Wow
I want to try learning them too!

Urr Urr
Dan't yau think it's abaut ta be all aver far him?

A friend of mine told me that Daigo was sent flying in a throw by someone called Sanshiro Saigo-
Are you that person?

I thought that someone capable of defeating the national junior high champion must be really strong-
this comes as a real shock!
He is definitely not just a fat pig with a big mouth!
No That's not true!
Could it be that he's just a fat pig with a big mouth?
-is in fact nothing special?
or is it because that Daigo character-

That time I was...

YAMA ARASHI!

Shiro Saigo, the only one to ever master this ultimate technique-
In over a hundred years of Judo's history-
No Yama Arashi before Saigo, no Yama Arashi after Saigo...
Shiro Saigo (1866~1922)
One of the "Four Heavenly Kings" of Kodokan's founding period.
No relation to Judo genius "1_2_no Sanshiro"

Could have been called the "High Foot Sweep" as well.
Technically this type of throw-
Though named the "Yama Arashi" by the cultured and well-studied Jigoro Kano-

Like this kid here he was also a "Tako Ashi"!

Ashi?
Tako

Without the "Tako Ashi" then the "Yama Arashi" will naturally not exist!
Then throw them up high into the sky-
That is- first latch firmly onto the opponent's ankle-

That is not all!
His small stature which can achieve the Shizentai with ease and his agility-
As well as the bravery to act without hesitation!
If any af these are missing then this ultimate technique can nat be completed!
I didn't think I'll see this technique in actian again with ane faat already in the grave...
Thank you oh gods above
What is she talking about!
But the "Bravery" part...
Isn't that what Sanshira lacks the mast?
But I can't help but feel there's something missing...
